Mr. Arnold Schwarz

Dear Mr. Schwarz:

General Cabell has asked me to thank you for your letter of 5 August, concerning your questions on immigration to this country.

The problem you raise is of interest to a number of private institutions in this country who have programs which assist eligible persons to emigrate to the United States. I suggest you may wish to contact one or more of these organizations. The American Embassy in Bonn should be able to supply you with information on this matter.

Sincerely,

SIGNED

Dear Mr. Cabell;

I want to emigrate to the United States and become an American citizen. However, since I must have either a guarantor for myself in the United States or an employer, may I inquire if you can advise me in this respect.

Your address was recommended to me as a result of a casual traveling acquaintance with an American tourist. I was further advised that acquaintances of yours are often in Germany on official business. If this should be the case, I would be very happy to be informed personally about eventual emigration possibilities.

Respectfully,

Arnold Schwarz
